

Spring Summer 2020

With the environment in mind, Chocolat Blu Natural delivers product that is fashionable, durable and sustainable. We design shoes that are made of best quality natural materials and components, we use only natural rubber and cork, plant dyed top quality leathers, and textiles made of natural plant fibers.

At Chocolat Blu Natural, from sole to upper, we produce all components of each shoe in our facility in Spain. Our factory does not use artificial dyes, chemicals, and toxins during the manufacturing process.

Chocolat Blu Natural is proud to be a socially and environmentally conscious footwear company where quality, design, comfort and sustainability meet the highest standards.
