Terms and Conditions

Product Materials

Our jewelry components consist of freshwater pearls, mother of pearl, semi precious stones, and lab created quartz. Our earring posts and our jewelry stones are hand set in 18K gold plate over nickel and lead free brass and sealed with a micron anti tarnish polish.

Product Care

To ensure and maintain the luster of each piece, avoid contact with perfume, hair products, makeup, or harsh materials which can damage and diminish the luster of the jewelry.

Always remove jewelry when exercising, swimming, or bathing. Avoid any harsh cleaning products. Jewelry can be cleaned with a soft jewelry polishing cloth.

MOQ

There is a \$400 minimum to open an account. For each additional order there is a \$100 minimum. We ask a minimum of 2 pieces per style when ordering.

Shipping

Wholesale orders will typically ship within 1-2 weeks with a confirmed order date. Occasionally some items will be delayed due to the nature in which all products are handmade. We appreciate your patience and work very hard to accommodate all reasonable requests. We ship via FedEx.
