JILL LABIENIEC
MEADOWLARK COLLECTION

Meet Jill!

Jill lives on a tiny island in the heart of the Pacific Northwest. When she's not busy illustrating with watercolor, you'll find Jill indulging her love of all things handmade... sewing dresses, making her own shoes, and getting inky fingers at the letterpress. Above all, Jill is happy knowing her work helps other people create spaces where they can rest, daydream, and grow.

In partnership with celebrated Pop Artist Ramon Matheu, the Vintage Collection was born from the history of the great oyster harvest with colorful collectible designs, featuring original vintage style art from the early 20th century.

ANNAPOLIS CANDLE

Private Label

Annapolis Candle offers a full range of custom development options.
From conception to execution, we:

LISTEN | DESIGN | TEST | CREATE | DELIVER

That is our goal and we do it on budget and schedule!

While every project is unique — just like your brand — some costs remain fixed. We believe in complete transparency when it comes to pricing because we understand the importance of staying within budget. Our team is dedicated to finding creative solutions that deliver exceptional quality while remaining cost-conscious.

With over a decade of experience, our team connects you with a top-tier network of perfumers, packaging specialists, logistics and distribution experts, and a premier marketing team specializing in home and personal fragrances.

We take the guesswork out of the process, guiding you in creating a product designed to succeed in the market!

==== The Process ====

LISTEN

We suggest an initial intake discussion with our design team.
This first 30 minute assessment is complimentary.

DESIGN

During the design stage, we'll provide you with a formal quote for your project.
Our minimum order is \$500 per SKU or style.

Artwork setup is billed at \$75 and includes printed proof.

Fragrance development is \$50 per sample with up to 2 revisions.
Additional revisions billed at \$35/revision.

TEST

A final burn test sample is included in your product consult fee.
Additional revisions billed at \$35/revision.

CREATE

20% deposit required for production to start.

DELIVER

We typically recommend an LTL freight option for delivery.
Quote available upon request. Local pickup is available.

Orders must be paid in full prior to shipment. Net30 terms are available pending credit review.
