Artistic

Original Art Meets Everyday Adventure

Bold prints. Playful icons. Bags that turn heads before they turn a corner. Our Artistic collection pairs vivid, original artwork with everyday-tough canvas construction, the kind of tote that becomes a conversation starter at checkout. Fun without sacrificing function.

Every piece tells a story, sea turtles gliding beneath the surface, palms swaying against a summer sky. Our Artistic collection turns original artwork into everyday carry, printed on durable canvas built to keep up with real life. Wear something that feels like yours alone.

Bold Art, Everyday Carry

- *Vivid original artwork, tough canvas construction*
- *A conversation starter at checkout*

Natural Crochet

Naturally Beautiful

There's a quiet beauty in open-stitch crochet, the way light passes through it, the texture under your fingertips. Woven in warm, natural tones, each piece grows softer and more beautifully worn-in with every season you carry it.

Open-Weave, Natural

- *Open-stitch crochet, warm natural tones*
- *Breathable, flexible, softens beautifully with wear*
- *Light passes through, texture under fingertips*
- *Grows softer, more worn-in each season*
- *Handwork you can feel and see*

Straight From The Source

Natural Straw

No two pieces are quite the same, that's the beauty of real straw. Each bag carries its own natural grain and character, sun-ready and effortlessly classic. This is the collection that feels like it's always belonged in your hands.

Nature, Gently Shaped

- *Real straw, real texture, real character*
- *Natural variation makes each piece unique*
- *Sun-ready and effortlessly classic*
- *No two pieces are quite the same*
- *Feels like it's always belonged to you*
